1   On January 14, 2016, plaintiff Mobile Telecommunications Technologies ("MTel") filed

2 an Administrative Motion to File Under Seal in Re Motion to Compel Third-Party Google, Inc. to

3 Produce Documents and to Make Available an Additional Witness and Request for Sanctions

4 Pursuant to FRCP 37. (Dkt. No. 6). The Administrative Motion requests that Google confidential

5 information be sealed. On January 15, 2016, MTel served Google with the Administrative

6 Motion. (Dkt. No. 7). Pursuant to Local Rule 79-5(e)(1), Google's declaration supporting sealing

7 this information is due on January 19, 2016.

8   The parties file this stipulated request for an order to extend the time for Google to submit

9 a declaration in support of MTel's Administrative Motion until and through January 21, 2016.

10 This extension is necessary because Google was not served with the Administrative Motion until

11 January 15, and the individuals necessary to assist in preparation of the declaration will not be

12 available over the holiday weekend. There have not been any previous time modifications in this

13 case, and the stipulated extension would not have any impact on the remaining schedule.
